

Its that time of year again!

Due to Covid-19, we were unable to provide training last year. Our MAJATC has come up with a to provide training this year, it will be the same quality training, just socially distanced. Because we must socially distance to safely provide the training, we will spread the training over 6 nights, instead of the usual 3 nights as in year's past. Because we are socially distancing, there must be a roster to limit the amount of people that will be able to attend each night. In the case that we need to, we may have to add another night of training, any additionally added nights will be held at the Local Union Hall. You must register with the MAJATC if you wish to attend one of these sessions. To register, you must send an email to jatc@ibew688.org stating your name, the date you wish to attend, and in the event that the date has filled up, you may need to supply an additional date that you would be open to attending.
